 teshay93@hotmail.com  Portfolio 336-233-1667

EXPERIENCE

Sr. Email Operations Specialist

-  ConnectiveRx  April 2023 – Current
- Build email workflows from initial HTML coding and campaign creation in Adobe Campaign to final launch for optimal deliverability & opens.
 - Support maintaining the integrity and maintenance of the healthcare provider (HCP) contact database used to drive all Messaging offerings.
 - Query and provide HCP outreach counts to internal and external clients to help determine project scope.
 - Set up journey automation, list management, QC, optimization and performance monitoring of email campaigns in Adobe Campaign.

Salesforce Email Developer

-  InnoceanUSA  June 2022 - Current
- Responsible for the day-to-day coding and development of media queried, mobile-specific email campaigns for Hyundai & Genesis Motors Enterprises.
 - Design, develop, and implement responsive HTML emails and templates within Salesforce Marketing Cloud (SFMC), using AMPscript, HTML/CSS, and dynamic content blocks.
 - Troubleshoot rendering issues, data mismatches, or technical problems in campaign execution.
 - Collaborate with marketing team and Email designers to translate campaign requirements into personalized email solutions.

Frontend Developer/UX Designer

-  Wellnecity (Start-up)  October 2021 – July 2022
- Created front-end code with reusable React components using HTML, CSS and Javascript.
 - Conducted user interviews, surveys, competitive analysis, and market research.
 - Effectively managed multiple projects.
 - Produced personas, user flows, journey maps, sketches, wireframes, and prototypes.
 - Working directly with the CEO to produce prototypes, as well as back-end developers to implement the designs.
 - Worked individually and collaboratively on projects centered around user research, interactive design and rapid prototyping.
